***\_\_\_ Check if you agree to all of the above; AND understand that if my group is chosen to become a nonprofit partner of IFG events, that we are expected to send volunteers for the agreed upon “Assistance Needs” at the agreed upon times. Further, that IFG will make donations within two weeks of completion of each event based on the number of workers sent and hours logged with an over/under allowance of 20%. \*Workers in this program may attend event (when not working), but do not receive alcohol or food other than basic volunteer food and non-alcoholic drinks during their shifts.***
